

*A Beautiful Expression  
of your Good Taste...*

**The Ultimate System in Design and Durability for Concrete Surfacing**

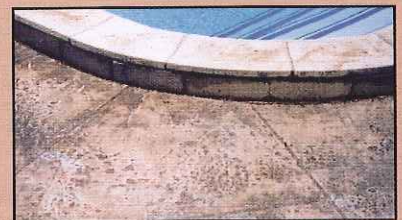

## Marbelite...unique decorative driveway, walkway, patio

**MARBELITE**, a specially formulated sprayed-on polymer concrete system has revolutionized the decorative concrete surfacing industry. Marbelite provides an array of beautiful and colorful designs in a high strength, heavy duty coating that out performs any conventional concrete surfacing.

- Beautiful, durable surface
- Slip resistant
- Stain resistant against mildew, oils, rust, and tire marks
- Cost effective
- Easy maintenance

**MARBELITE** is the perfect choice for driveways, walkways and pool decks ...providing excellent resistance against common staining elements such as oil, mildew and rust stains. All this, and it can be custom colored to match your own decor. Marbelite sealed surfacing keeps your driveways, patios and walkways beautiful and ready for use.

Before MARBELITE surfacing.

After MARBELITE surfacing.

ative concrete surfacing for your  
and pool deck.
