The Marbelite Texture Deck Surface is the premier choice of upscale home and pool builders. It has all the outstanding features desired by the quality conscious consumer of today.

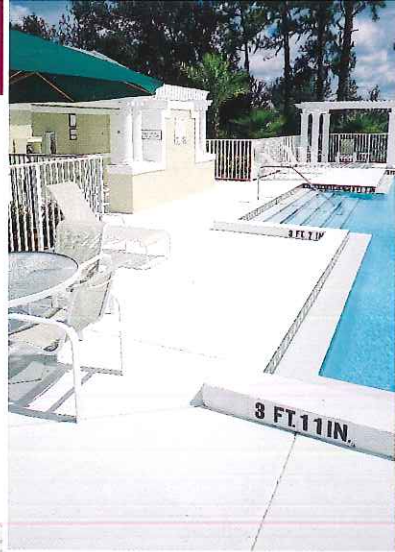

BEAUTIFUL

With elegant simplicity, the Marbelite Texture Deck subtly but beautifully enhances the natural surroundings. Attractive large square tile patterns can easily be incorporated in the surface as a design alternative. The Marbelite color wheel offers you more than 1000 beautiful selections so that you may perfectly harmonize with your chosen decor.

COMFORTABLE/ SLIP RESISTANT

Troweled to create a low profile semi-smooth texture surface, the Marbelite Texture Deck is comfortable for bare feet but slip resistant when wet. Marbelite recommends light pastel colors to maximize coolness for pool deck surfaces.

DURABLE

The Marbelite Texture Deck Surface is far superior to any other decking surface. High tech polymers are incorporated in Marbelite to render exceptional strength, adhesion, and chemical resistant properties that are second to none.

COST EFFECTIVE

The Marbelite Texture Deck surface is permanent in nature as well as being virtually maintenance free. It is the most cost effective deck surface in the industry. With a Marbelite Texture Deck Surface you will realize tremendous on-going savings compared to other deck systems which have limited life and are costly to maintain.

EASY TO MAINTAIN

Marbelite's high grade polyurethane/acrylic sealers provide a non-porous surface that is highly resistant to chemicals, algae, and staining and is easily cleaned with minimal effort.

COLOR SELECTION

The Marbelite Color Tint Wheel offers a choice of more than 1,000 designer color options. With our unique color match system we can consistently blend our stain seals to complement and match any selected color scheme.

RENOVATION

When it is time to update and renew your old concrete, poly pebble driveway or pool deck surface, the Marbelite Texture Deck Surface with its high strength adhesion qualities can easily be applied over any clean, structurally sound surface.

DRIVEWAYS

The Marbelite Texture Deck's beauty and durability makes it a perfect choice for transforming your dull and ordinary concrete drive into a beautiful and colorful entry way to your home. Marbelite's attractive curb appeal adds distinction and lasting value to your home.
